RE: Protect American jobs from foreign mining company

Dear Mr. President:

The undersigned entities, representing hundreds of thousands of businesses, hunters, anglers, and outdoor enthusiasts, respectfully request that you direct the Army Corps of Engineers to deny the Clean Water Act 404 permit for the proposed Pebble mine in Bristol Bay, Alaska. If built, the mine would immediately jeopardize thousands of American jobs, hundreds of businesses, a sportfishing and hunting paradise, and thriving outdoor industries.

In Alaska, fishing and hunting are big business. The foundation of a successful business in this
